First Aid

Trainer went above and beyond. Thank you!
 Trainer is knowledgeable and practical. Knowledge delivery is excellent. - Will definitely refer anyone to this course
 Excellent training, but the room needs to be more ventilated
 Elaborate training with hands on practical trainings and the trainer is very conversant with the topic, she also engaged us in discussions and practical show to understand the training
 Very Detailed
 Everything is good. I am happy with the place and level of education for trainers. They are the best
 The training was done with the utmost professionalism to my liking
 The trainer was awesome. Very knowledgeable and informative.
 Healthier lunch options
 Well presented with a good interpretation of real life scenarios
 This is the best. Very practical. Thanks
 100% - Excellent course and trainer
 Good and professional instructions from an experienced instructor
 Good teacher, I learnt so much
 Good Teacher!
 Amazing!!

Manual Handling

Trainer has good content on the course. Communication is excellent
 Very Good
 The trainer was fantastic. Keep it up!
 Well presented. Videos are relevant but a bit long

Fire Awareness

Great training and knowledgeable experience to assist us to supply work in the turbine
 Was the best simulation on smoke and dark environment was an extra good thing. Trainer has good knowledge of this content
 Good delivery on the course
 A victim (dummy) could be hidden in the smoke room to be rescued by a team. Overall quite nice
 Well Presented!!
 100% - Excellent course and trainer
 Professionally presented course - Experienced instructor

Work at height

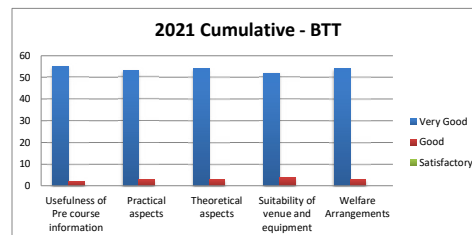

From legislation, mostly referring to South Africa, what is relevant for us in Kenya. Please include it in your document
 The trainer was informed and equipped us with the necessary knowledge to WAH - The practical lesson were well extensive
 Clear, concise and well placed instructions and exercise
 Well Presented! Learnt a lot
 100% - Good teacher, learnt a lot about the course
 Learnt a lot - Everything was good
 Great improvement on training facilities

Sea Survival:

100% - Excellent course and trainer
 Well Presented! Professional instructions
 Amazing Course!
 Amazing!

Comments:

For what I did, everything is good
 All is good and I can practice more myself.
 All is great to me and everything is perfect.
 Fix projector mouse clicking :)
 Venue is perfect!
 Course is good

Hydraulics well presented
 Great Trainer! Covers material and questions well
 Slides could make use of better drawings
 Excellent presentation and exercise
 Ashley is a great lecturer
 Great engagement and stimulation, examples and demonstrations
 Hands on and very competent

Comments:

Thanks for the training
 Very good training centre. See me again next time. Well done Mark and Andries
 I am happy for having Andries as a trainer, I like his way of teaching
 Everything is perfect and I learn more thing to this course well done
 Really enjoyed the course - Well presented. Very good trainer, thumbs up to Andries
 The training was excellent. The curriculum was adjusted to suit the turbine we work on. The trainer was also excellent
 Trainer was excellent - Good understanding of their job
 Very good training that has equiped me with extensive knowledge on how to act during an emergency
 The scenarios are realistic and give you a clear indication of an real life scenario
 Andries is an excellent instructor, very informative. Great work, thank you!
 Fantastic instructor and great person with knowledge
